

An invitation to our
Swing into Spring Gala
May 1, 2009

The Professional Center
for Child Development

Mission Statement:

The Professional Center for Child Development provides inclusive educational and therapeutic services, at a professional level, for infants, toddlers and children and their families through supporting the family unit and working with each child to develop to his or her full potential.

Two by Two student at the Professional Center for
Child Development

The Professional Center
for Child Development

Children First Award Recipients:

Priscilla Bartle

Thirty year employee of the Professional Center, recently retired.

Community Giving Tree

The mission of this Merrimack Valley organization is to help low income, under-housed, and new immigrant families receive everyday essentials.

Awards are given to an individual or organization that through hard work and dedication to the community has enhanced the lives of families and always puts children first.

Awardees are nominated and voted on by the staff of the Professional Center
