

DEVELOPMENTAL DAY SCHOOL COMPLETES ELEMENTARY AND SECONDARY PRIVATE SCHOOL PROGRAM REVIEW

The PCCD Developmental Day School has recently undergone a compliance review, a process that occurs every six years, with a mid-cycle review every three years. The review assesses program practices, policies and procedures to ensure compliance with all state and federal regulations. Following this extensive review, the Day School maintains its **FULL APPROVAL** status. The detailed report of the Department's findings as well as identified areas for improvement, and our plan of action are available for review at the Center. Anyone interested in more information regarding the review should contact Linda Sliwoski, Day School Program Director at 978 475-3806 X210 or lindas@theprofessionalcenter.org
